The public webinar is supposed to be at the ftp site

(https://epa.figshare.com/articles/Accelerating_the_Pace_of_Chemical_Risk_Assessment_APCRA_2020_Public_Webinar_presentations/12009120) but I can't get it to open. I've asked Sammy to send them to me.

Do you have slides from Tomasz on the prospective case study from the past couple APCRA meetings (and public webinar)? I have them from Ottawa, but not the one in RTP and the public webinar.
